

The Durban Ramblers' Club

FIXTURES FOR JANUARY, 1950.

Happy New Year, everybody! We hope you are well over the "fast". Of course it is realised that one of your New Year resolutions is to turn out frequently for all hikes and socials, so we look forward to bumper attendances throughout 1950!!

SUNDAY, 8TH JANUARY.

Start off well by attending the hike to Bottle-Neck Falls. As mentioned in the December circular, Selwyn will be leader, lorries will leave the Alhambra at 8.30 a.m. and the route will be via Pinetown. This will be a good chance to walk off some of the weight put on over the holidays, so tumble out, all you Ramblers!
Tea Orderlies: P. Moran, D. Gaydon,
J. Powell, H. Papworth.

TUES, 10TH JANUARY.

There will be an Executive Meeting at Hans' - 15, Haven Court, Esplanade - at 7.45 p.m.

SUNDAY, 22ND JANUARY.

Come on the Castle Hike with Hans as guest leader. There will be good swimming, so you can look forward to cooling down pleasantly before lunch. The estimated cost will be 3/6, and lorries will leave the Alhambra at 8.30 a.m., going via Pinetown.
Tea Orderlies, V. Wager, W. Papworth,
E. Marais, Y. Cusens.

FRIDAY, 27TH JANUARY.

Here comes another popular social - a party at Athlone. This will be the last effort put on by the Present Entertainments Committee, so you may rely on its being something good. Dress as you please, and come prepared to dance. More particulars will follow in due course.

PLEASE KEEP TUESDAY, THE 7TH FEBRUARY FREE.

This is a big Club date - the Annual General Meeting, when new office bearers will be elected. In the meantime, please give this matter some thought and decide who you would like to see on your next committee. In fact, why not consider a committee job yourself? It would be an interesting experience.
