AUGUST CAMP  
5th - 7th

Preliminary announcement !! The magical dates : 5th - 7th August. Yielding to popular request by many members who attended the October Camp, your Camp Committee has again been able to arrange for you to spend this long week-end at Msuzi, in the Mapumulo Reserve. With its grand scenery, lovely situation and many other amenities, this camp promises to be well worth attending. Secure your place at camp by ringing LYNN DUFFEY at - 4 8 6 8 6 in the evenings. A deposit of 10/- per camper will be required at least 10 days ahead, which deposit can be paid to Lynn on any of the hikes this month. Please co-operate and facilitate your Camp Committee's work by making your arrangements early.

N.B. Our Committee has decided to form a Holiday Bureau for members who intend taking their annual holidays in the 'Berg, Cape or Rhodesia with the specific intention of helping people to form Rambling acquaintances. Instead of a person spending or starting off on a holiday alone, perhaps two or three Ramblers will be interested and decide to spend their leave in the company of a few friends, who incidentally are keen on walking and climbing. If you are interested, kindly send in your name and particulars of the month and holiday place you intend visiting to the Secretary who will publish these details from time to time in the monthly circulars and so put you in touch with other interested persons.
