FRIDAY, 23RD JUNE

"Variety is the spice of life" so here's something which should please all Ramblers. Vincent Wager will be showing us some of his colour films on "The Drakensberg", "National Park of America", "Life of a Chameleon", and "Hiking in the National Park of Australia" in the Projection Room of the Art Block, Technical College, at 8 p.m. (The "Life of a Chameleon", I am told, took approximately twelve years to complete and is most interesting).

FRIDAY, 27TH JUNE

Members of the Entertainments Committee will meet at the Roydon Hotel, Musgrave Road, at 8 p.m.

LOST

On the One Hundred Surprise Hike - 14th May - red floral scarf inadvertently put in a visitor's bag. Finder please contact Secretary.

The attention of those members affected is drawn to Clause 5 (a) of the Constitution which reads as follows :-

"At the discretion of the Committee any person who resides at a distance from Durban which normally precludes his/her attendance at Club functions may be elected to Associate Membership. The annual subscription for an Associate Member shall be 2/6d. (Two shillings and sixpence) per annum".

The response to our appeal to members to pay their subs has been most gratifying but there is still a large amount outstanding. We hear Pat Thorne is to be married soon. Another good member gone west!
